

OPENING SEPTEMBER 2026 · OAKVILLE, ONTARIO

Math Enrichment **Instructor**

Part-Time · Math Mastery School

Do you light up when a concept finally **clicks** for a student? Are you someone who sees mathematics not as a set of rules to memorize, but as a way of thinking deeply and confidently? Math Mastery School is opening its doors in **September 2026** — and we're building our founding team of instructors right now. This is a rare opportunity to be part of something from day one.

■ About Math Mastery School

Math Mastery School is an academic enrichment program in Oakville dedicated to teaching mathematics the way it deserves to be taught — with depth, reasoning, and genuine conceptual understanding. We go far beyond drill-and-practice.

Our students develop real mathematical independence: the ability to reason through unfamiliar problems, think analytically, and approach challenges with confidence. We believe every student can excel when they're taught with clarity, structure, and enthusiasm.

■ What You'll Do

- ◆ Lead small-group classes focused on advanced problem solving and logical reasoning
- ◆ Build students' mental math skills, analytical thinking, and mathematical confidence
- ◆ Teach concepts with clarity and depth — connecting ideas, not just covering content
- ◆ Support students in developing true independence and a love for mathematics
- ◆ Work within a prepared curriculum with full materials, resources, and teaching guidance provided

■ Who We're Looking For

You don't need a teaching degree — you need a genuine passion for mathematics and a natural ability to explain it well. This role is a great fit for:

Mathematics graduates	Engineering students	Computer Science graduates
Physics majors	Teacher candidates	Experienced tutors
		STEM professionals

■ What You Bring

- ◆ Strong mathematical background with the ability to explain concepts clearly and confidently
- ◆ A warm, engaging presence — you genuinely enjoy working with children and young learners
- ◆ Reliability and professionalism: students and families count on you
- ◆ Enthusiasm for problem solving and a high-achievement learning environment
- ◆ Previous teaching or tutoring experience is an asset, but not required

■ Schedule & Position Details

DAYS Monday – Thursday	TEACHING HOURS 4:00 PM – 8:00 PM 4 hours per day
PREP TIME 1 paid hour daily Included in compensation	CLASS FORMAT Small groups Focused, high-impact sessions
LOCATION Oakville, Ontario	TYPE Part-time

■ Compensation

\$35 / hour

Paid preparation time included

Curriculum guidance & teaching support
Prepared materials & resources provided
Collaborative, supportive team environment
